Revenue Ruling 19-97-2

Issue: Application of Sales Tax to Farriers Relevant statutes: K.S.A. 79-3603(p), K.S.A. 79-3603(q)

The purpose of this revenue ruling is to clarify the application of state and local sales tax to charges for farrier's services performed in Kansas. A farrier is someone who shoes horses and trims their hooves.

Effective October 1, 1997, all resident and nonresident farriers who perform work in Kansas must register as retailers and collect and remit sales tax on their services performed here. Farriers who have previously registered with the department as retailers need not re-register.

Farrier services performed on racehorses, competition horses, recreational horses and other horses not specifically exempted below are subject to sales tax. Farrier services are exempt when performed on plow horses and on horses used primarily for herding. Farrier services for horse-breeding operations are exempt only if the horse-breeder is registered as a Kansas retailer to collect tax on its horse sales. Farriers must document all exempt sales by securing and maintaining an exemption certificate from each customer that claims exemption.

Special rules determine the local sales tax that must be charged and collected by service providers such as farriers. Generally, Kansas service providers must charge customers the local sales tax that is in place at the provider's business location (K.S.A. 12-191). This rule applies even when a service provider performs services in a county that has no local sales tax. Out-of-state farriers generally are not required to charge local taxes (K.S.A. 12-191a). When a contract for services exceeds \$10,000, different rules apply for collection of local sales tax.

Farriers who register with the department for sales tax purposes may purchase horseshoes, shoe nails and other items that are transferred as part of their services exempt from sales tax.

Anyone who has questions or wishes to discuss this ruling may contact the Taxpayer Assistance Bureau, Kansas Department of Revenue, Topeka, 66625-0001, (785) 296-0222.

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10 a.m. Friday, December 5, in the second floor conference room of the Columbian Title Building, 820 S. Quincy, Topeka, to consider the adoption of amendments to regulations 117-2-1, 117-3-1, 117-3-2, 117-4-1, 117-4-2, 117-6-1, 117-6-3 and 117-8-1.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulations. All interested parties may submit written comments prior to the hearing to the Kansas Real Estate Appraisal Board, Columbian Title Building, 820 S. Quincy, Suite 314, Topeka, 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Michael Haynes at (785) 296-0706.

The regulation amendments are proposed for adoption on a permanent basis. A summary of the proposed amendments and their economic impact follows.

117-2-1. Licensed classification; education requirements. This would require an increase of 15 classroom hours of pre-licensing education and not allow experience credit to be obtained for teaching a course. It is estimated that this would be an increase of \$150-\$400 to new applicants.

117-3-1. General classification; education requirements. This would require an increase of 15 classroom hours of pre-licensing education and not allow experience credit to be obtained for teaching a course. It is estimated that this would be an increase of \$150-\$400 to new applicants.

117-3-2. General classification; experience requirement. This would require a new applicant to have an additional 500 hours of experience credit. There would be no economic impact to applicants, appraisers, the public or state agencies.

117-4-1. Residential classification; education requirements. This would not allow experience credit to be obtained for teaching a course. There would be no economic impact to applicants, appraisers, the public or state agencies.

117-4-2. Residential classification; experience requirement. This would require a new applicant to have an additional 500 hours of experience credit. There would be no economic impact to applicants, appraisers, the public or state agencies.

117-6-1. Continuing education; renewal requirements. This would increase the number of hours of continuing education annually from 10 to 14. This could have an economic impact of approximately \$150-\$400 to all licensed or certified appraisers. There would be no impact to the public or state agencies.

117-6-3. Education; obtaining course approval. This would require all providers of the Uniform Standards of Professional Appraisal Practice courses to provide the student with the current copy of the Uniform Standards of Professional Appraisal Practice. This may add additional costs to the student and/or provider; however, it is expected to be minor, if any. There will be no additional costs to the public or state agencies.

117-8-1. Uniform standards of professional appraisal practice. This would revise the regulation so it would not have to be amended each time the Uniform Standards of Professional Appraisal Practice is updated. There would be no economic impact to appraisers, the public or state agencies.

Copies of the regulations and their economic impact statement may be obtained from the Kansas Real Estate Appraisal Board.

(d) At the start of each Friday drawing, lottery security personnel shall present the mail trays, each containing approximately the same number of entries, to the person designated by the executive director to perform the drawing. Using the bare-arm technique, the person designated to perform the drawing shall insert a plastic divider into each mail tray between the entry envelopes and pull the envelope which is either behind or to the right side of the divider and place it in the drum. This procedure shall be repeated until 10 entry envelopes have been pulled from each mail tray and placed in the drum.

(e) Immediately following the placement of entry envelopes into the drum and prior to each drawing, the drum shall be sealed and the contents mixed by rotating

the drum 10 times.

(f) The designated individual shall then unseal the drum, and using the bare-arm technique, while looking away, remove one envelope from the drum. The person whose name appears on the entry shall be the winner of the prize identified in K.A.R. 111-5-59, subject to valida-

(g) After the envelope has been drawn and the entry has been verified as valid and marked "grand prize," 13 more entries will be drawn, one at a time. The first 10 valid entries drawn will receive a secondary prize of \$1,000. The last three entries drawn will serve as alternate entries. The alternate entries will be marked in order drawn, 1A, 2A, and 3A and marked with the draw date. The alternate coupon entries will be used only if the original winners cannot be located or are declared ineligible. In the event the grand prize winning entry is disqualified or the winner cannot be located or notified within 30 days of the drawing, the second winning entry drawn will be declared the grand prize winner. Each of the remaining winners will move up one position in the order drawn to include the first alternate entry as a \$1,000 winner.

(h) Following the morning mail pickup on Wednesday, September 10, 1997, the mailed entries will be opened by lottery personnel and placed in a secure receptacle or drum to be transported to the state fair lottery.

building and deposited into the draw receptacle or drum. At the final drawing on Sunday, September 14, 1997, lottery security personnel will be present with the person designated by the executive director to perform the drawing. (i) The designated individual shall then unseal the receptacle or drum, and using the bare-arm technique, while looking away, remove a single entry from the receptacle or drum. The person whose name appears on the entry shall be the winner of the prize identified in K.A.R. 111-5-59, subject to validation by the lottery as set forth

in these rules.

(j) After a single entry has been drawn and the entry has been verified as valid, 13 more entries will be drawn, one at a time. The first 10 valid entries drawn will receive a secondary prize of \$1,000. The last three entries drawn will serve as alternate entries. The alternate entries will be marked in order drawn, 1A, 2A, and 3A, and marked "final draw date." The alternate coupon entries will be used only if the original winners cannot be located or are declared ineligible. In the event the grand prize winning entry is disqualified or the winner cannot be located or notified within 30 days of the drawing, the second winning entry drawn will be declared the grand prize winner. Each of the remaining winners will move up one position in the order drawn to include the first alternate entry as a \$1,000 winner.

(k) The Kansas lottery security official present shall review each coupon drawn to determine the validity of the entry into the "Powerball Explorer Drawings" in accordance with these regulations. If it is a valid entry coupon and the name is legible and sufficient information is completed on the back of the entry, the event manager and the security person shall record the name of the winners

and the winners shall be promptly notified.

(l) If the entry coupon is determined to be ineligible, it shall be discarded by the security person present and another coupon drawn. This procedure will be repeated until valid selections are obtained.

- (5) If the spouse was institutionalized before September 30, 1989, the real and personal property of each spouse shall be considered available to the other in the month in which the institutional arrangement began.
